

15152 Hopewell Road

Milton, Georgia 30004

Bespoke Estates. Timeless Design.

9,758 SF | 6 Bedrooms | 9 Full + 2 Half Baths | 2.03 Acres

Trio Luxury Homes

A rare estate opportunity in the heart of Milton

Situated on a 2.03-acre parcel in Milton's most coveted corridor, this fully permitted, architect-designed residence combines the scale of a historic estate with a floor plan engineered for modern luxury.

The Customization Advantage

Purchasing prior to the May 2027 completion grants the buyer the ability to make key interior selections with the security of a fully engineered, actively progressing build.

2027 Delivery

Status

Under Construction
(Land Clearing Phase)

Roofline

Steeply pitched dimensional architectural shingle rooflines with multiple dormer conditions.

Upper Envelope

Cement-fiber or equivalent high-performance painted siding conveying a refined lightness.

Fenestration

Oversized, insulated glazed window systems (tempered glass, argon gas, low-E) with simulated divided light (SDL) detailing.

Base & Foundation

Full perimeter brick veneer base anchoring the home, detailed with painted brick accents.

Structural Core

Engineered framing system utilizing LVL beams, house wrap moisture management, and spray foam attic insulation.

Entryway

Covered front stoop featuring a coffered ceiling detail and a 6'x10' pre-finished metal panel door.

9,758 square feet organized for modern livability

The Main Level establishes the social core and primary retreat

The Entertaining Core

10' ceilings, Great Room with coffered details, gas fireplace, and a massive 16'x10' glass sliding door opening to the rear patio. Chef's kitchen with dual 10'x4' islands and a fully equipped Scullery.

The Primary Sanctuary

Anchoring the west wing for ultimate privacy. Features direct patio access via a 12'x8' slider, a freestanding soaking tub, dual quartz vanities, and a custom dressing room.

Utility & Arrival

Auto court entry to dual 2-car garages (attached with EV charging, plus detached). Includes a dedicated mudroom with built-ins and a pool bath with exterior access.

The Upper Level provides private retreats for family and guests

The Junior Primary

An elevated retreat featuring a vaulted ceiling, a luxurious tiled shower with frameless glass, and a dedicated built-in dressing room.

The En-Suite Wing

Three generously scaled bedrooms (Nos. 4, 5, and 6), each delivering total independence with their own private full baths and walk-in closets.

The Productivity Hub

An open office loft providing flexible workspace, seamlessly connected to the stair hall and nearby full laundry room with utility sink.

The Lower Level and Grounds deliver seamless indoor-outdoor living

The Wellness Wing: The 1,640 SF basement is designed around a dedicated home gym with natural light and a central family room.

Uninterrupted Flow: A 12'x8' glass slider system opens the lower-level family room directly to grade, ensuring the space feels actively connected to the landscape.

The Estate Canvas: The 715 SF main level covered patio serves as an amphitheater to the meticulously graded pool court.

Optional Pool Package: 16'x32' Gunitite pool with PebbleTec finish, integrated spa, and outdoor kitchen (graded for installation, available as the highest-impact enhancement).

The Customization Matrix empowers you to define the final aesthetic

Locked-In Luxury (Standard Baseline)	Buyer Allowances (Your Canvas)
10' ceilings on Main & Upper levels; 8' solid interior doors.	Appliances: \$35,000 allowance for Kitchen & Scullery package.

Custom slim shaker cabinetry (42" uppers, soft-close).	Tile: \$10/SF Kitchen Backsplash; \$3/SF Primary Bath; \$2/SF Secondary Baths.
48" professional range, dishwasher, custom vent hood.	Flooring: \$3/SF engineered hardwood; \$3/SF tile.
Built-in closet systems in all bedrooms.	Lighting: \$10,500 total allowance (fixtures, fans, recessed).

Fully permitted and steadily advancing toward a May 2027 delivery

Path to Delivery

Rooted in Milton, built on integrity by Trio Luxury Homes

The Visionaries

Builder: Trio Luxury Homes. Founded on the discipline of rigorous site analysis, transparent pricing, and low margins to ensure completion over inflated contracts.

Architect: Goodman Design, Inc. Known for architecture that balances civic presence with residential warmth.

Engineering: JDM Consultants, LLC (Civil).

The Locale (City of Milton)

Incorporated to protect equestrian, estate, and semi-rural residential character.

Hopewell Road is a signature corridor defining the neighborhood's architectural ambition.

Near Crabapple's retail district, top-rated schools, and under 60 minutes to Hartsfield–Jackson Airport.

Secure your vision through a straightforward, transparent commitment

01

Walk the Ground

Schedule a private site visit to tour the estate's footprint as it stands today.

02

Execute Contract

Secure the \$5,449,000 list price with a 5% non-refundable deposit (credited at closing). Financing must be secured prior to closing.

03

Define the Details

Meet with Trio's design team to finalize interior selections within your allowance matrix before the cutoff deadline.

04

Track Progress

Receive detailed monthly construction updates featuring photos, walkthroughs, and milestone reports.

05

Take the Keys

Close upon the issuance of the Certificate of Occupancy in May 2027.
